### [Global Basic Education Division]

Please check the following information about Residential College program and Global Basic Education Division (GBED).

### ■ Global Basic Education Division

All international students who have been admitted to the various departments of the university will be expected to complete Korean language and basic education courses at GBED during their first year. GBED provides international students with basic liberal arts, basic math and basic science courses to improve their academic skills before they take their major classes. It also offers Korean classes so that they can improve language skills for academic performances, adjust to college and successfully complete their studies at Yonsei University.

### 1. Division by Grades

Grade	Freshman (1st year)	Sophomore – Senior (2nd - 4 <sup>th</sup> year)	
Division	Global Leaders College Global Basic Education Division	Majors and Departments (Liberal Arts, Business and Economics, Business, Engineering, etc.)	
Location International Campus - Songo		Main Campus - Sinchon	

### 2. GBED Curriculum

### (1) GLC (Global Leaders College) General Education

Understanding of Number in Daily Life, Guidance Politics, Landmarks of Korean Culture, Digital Art and Culture, Understanding Global Industry, Material and Civilization, GLC Mathematics, Technology Society and Leadership, Understanding of Asian Art Film, etc.

### (2) Korean Language Education

GBED curriculum provides Korean language classes to foreign students in accordance with the students' Korean skills which are determined by Korean Language Proficiency Test or TOPIK

Korean Language Proficiency	Korean Language Course Requirements	Note
TOPIK 5~6	Taking GLC electives ('Thinking and Expression', etc.) and regular major courses	
TOPIK 3~4	Taking 4 courses of GLC Korean courses	
TOPIK 1~2	Korean lesson from Monday to Friday (9:00 ~ 13:00)	Yonsei Korean Language Institute

### (3) GLC English and GLC Mathematics

GBED provides different levels of English Language courses taught by native speaker professors in order to help the students to be global leaders. It also offers GLC mathematics for students in college of science and engineering.

### (4) Absolute Evaluation

Every profession courses in Global Leaders College uses absolute evaluation method to measure students' grades. As the courses are only for GLC students, they may feel less stressed by not competing with Korean students.

### 3. Benefits of the Global Basic Education Division.

(1) Premium Courses Exclusively for Foreign Students

This premium curriculum includes various courses taught in Korean in order to improve the ability of students to learn and to increase their satisfaction in their campus lives, helping them prepare appropriately for studying in their future major field.

(2) Liberal Arts at Global Leaders College

The liberal arts tailored specifically for foreign students allows them to acquire the core competencies required for being a college student by taking courses without being inhibited by a language barrier.

(3) Writing Programs and the Academic Support Center for Foreign Students

Various writing programs related to college courses are available for foreign students to help them study more effectively, offering them assistance for writing reports. Plus, for the year after being at the Global Basic Education Division, foreign students can get advice regarding their courses and can get professional or academic guidance from academic advisors. They can also receive administrative services as well as a counseling regarding the curriculum of the college they will enter into as a sophomore.

(4) Extracurricular Activity Programs

Foreign students will have the opportunity to gain diverse experiences and chances to learn through special programs designed exclusively for them, e.g. Korean Culture Experiences.

(5) One-stop Services, Including Airport Pick Up

To facilitate students in adapting to college life, we provide foreign students who enter Yonsei University the necessary guidance and services from day one. We pick them up from the airport and show them how to move into the dormitory, register for classes, and so forth.

### 4. Remarks

- (1) Duration of affiliation to GBED: One full year starting on matriculation
- (2) Tuition fee: 6,140,000 KRW(each semester), as of 2019
  Tuition fees from 2<sup>nd</sup> year are differed by departments/divisions.

### **X Notes:**

- 1) Application for the departments under Underwood International College will be processed separately by the Office of Underwood International College. [Please refer to the UIC website for detailed information (http://uic.yonsei.ac.kr)]
- 2) Majors in Architectural Engineering are divided into Architecture[5-year program] and Architectural Engineering[4-year program].
- 3) Majors marked with an asterisk(\*) offer pre-service teacher preparation programs.
- 4) Department of Business Administration of College of Business are accredited by KABEA(Korean Association of Business Education Accreditation).
- 5) The departments of Chemical & Biomolecular Engineering, Electrical & Electronic Engineering, Civil & Environmental Engineering, Mechanical Engineering, and Computer Science are accredited by ABEEK (Accreditation Board for Engineering Education of Korea, and the department of Architectural Engineering is accredited by ABEEK and KAAB(Korea Architectural Accrediting Board).
- 6) Pre-Medicine department of College of Medicine, Pre-dentistry department of College of Dentistry, and Nursing department of College of Nursing each has received certification in education from KIMEE(Korean Institution of Medical Education and Evaluation), KIDEE(Korean Institute of Dental Education and Evaluation, and KABONE(Korean Accrediation Board of Nursing Education).
- 7) When Yonsei University decides that applications do not meet the qualifications, no applicant may be admitted.

### 3. Selection of Departments/Majors

- Applicants can apply to one major.
- For those who are applying to Global Leadership Division can apply for one of the other majors at the same time.
- Applicants not accepted to Yonsei University for Spring 2020 Application have the opportunity to re-apply(only once) to another major if they complete online application by the end of application period.

### 4. Eligibility for Application

- 1) Applicants and both their parents should have non-Korean nationality.
- 2) Applicants must graduate from high school or the equivalent as recognized by Regulation 98. under Elementary and Secondary Education Act by February, 2020. However, students graduating from Japanese high schools can apply for the Spring semester even if they graduate from high school by March, 2020.

### **X** Additional qualifications

: Students applying for the department of Pre-Medicine, Pre-Dentistry or Nursing must submit the certificate of completing level 5 or higher at Yonsei KLI or TOPIK score of level 5 or higher by the last day of application material submission period.

### Important Notes on Eligibility for Application

- O If a student and any one of the student's parents has dual citizenship with Korea, the student is not eligible for this track.
- O Korea-born adoptees of foreign nationality are considered as foreign nationals only if they acquired the foreign nationality before entering elementary school (Grade 1).
- Only applicants, who have acquired foreign citizenships before they started their high schools or the equivalent(including both parents), are eligible for this track.
- O A Taiwanese applicant with one parent of Taiwanese citizenship is classified as an international student for application purposes.
- O Total years of education will be counted based on the Korean educational system. [Overseas education years will be counted as follows: From Grade 1 to 6 to be elementary school, from Grade 7 to 9 to be middle school, from Grade 10 to 12 to be high school]
- O In principle, for those students whose country's formal education from elementary school to high school is less than twelve years, only the students who completed the full school years that are approved by Korean Ministry of Education as equivalent to Korean high school will be considered as qualified high school graduates. However, in general, the qualification as a legitimate high school graduate will be judged taking account of each country's educational system based on Korean formal educational system.
- GED, home schooling, cyber schooling or other high school equivalency certificates are not considered as high school diploma.

### 5. Evaluation Criteria

- 1) Yonsei University makes a comprehensive evaluation of each applicant based on his or her academic achievements and potential, as well as non-academic accomplishments. High school transcripts, personal statement, scores of standardized tests (e.g. 高考. ACT. AP. AST(Advanced Subject Test in Taiwan). ATAR. ENEM. GSAT(General Scholaristic Aptitude Test). GCE-A Level. HKDSE, IB, NCEA, SAT. STPM. UEC. etc.), letter of recommendation, awards, certificates/licenses, scores of language proficiency tests, and high school profile are representative elements used for the evaluation of appliant's qualifications.
- 2) Applicants to the College of Music or the Department of Physical Education and Sport Industry Studies are required to take a performance test administered by Yonsei University (Please check page 8).
- 3) The result of the performance test will be combined with that of document evaluation for admission decision.

### 6. Education curriculum based on Korean language proficiency level

All accepted students to Yonsei University must take following courses in accordance with the result of Korean language proficiency tests (TOPIK) or certificates of Yonsei KLI that they submit to Yonsei University. Since students are given conditions on taking regular courses based on their Korean skills, they are strongly recommended to improve Korean skills before admission.

Korean Language Proficiency (Certificate of Yonsei KLI or TOPIK score)	Korean Language Course Requirements	Note
TOPIK 5~6	Taking GLC electives (Thinking and Expression, etc.) and regular major courses	
TOPIK 3~4	Taking 4 courses of GLC Korean courses	
TOPIK 1~2	Korean lesson from Monday to Friday (9:00 ~ 13:00) at Yonsei KLI	Mandatory to complete Korean Language courses at Yonsei KLI

X Students can take Korean Language courses at Korean Language Institutions in either Seoul or Incheon International Campus. If they submit the certificate of completion after taking the courses, the students will be recognized as having acquired the corresponding level of qualifications above.

### **X Exemption from the Korean Language Proficiency Test**

ALL accepted students must take Korean Language Proficiency Test (2020 February) held by Yonsei Korean Language Institute. Test Waiver Eligibility Requirements are as follows: (Expiration date of the certificate or the test score for the exemption will be informed via Guidelines for Newly Admitted)

- X Certificates issued by other universities' Korean language institutes are NOT valid for the exemption of the test.
- \*\* Those who do not submit the certificate of completion from Yonsei KLI, the scores of TOPIK or the result of Korean Language proficiency test administered by Yonsei University by the set date to be announced with admissions notification will automatically be regarded as being below proficiency level 4, and thus will be required to take preliminary courses for international students.
- \* Accepted students who did not submit TOPIK score at the time of application are strongly recommended to take TOPIK within one semester after admission and submit the result to Global Basic Education Division Admin. Office (Further information will be announced at the time of admissions notification).
- \* Students of College of Music/ College of Medicine/ College of Dentistry/ College of Nursing are not subject to affiliate with Global Basic Education Division.

# [ Information on Apostille/ Consulate Authentications ]

### 1. Submission of documents for academic credential verification by overseas high school graduates

All accepted international students must submit high school diploma AND high school transcripts legalized by one of the following ways to the Office of International Undergraduate Admissions Team (Baekyang Hall Room #S308) by the certain date set by Yonsei University.

- 1) Obtaining Apostille stamps on the documents in case the student has attended or graduated from school(s) in a country that is a member to the Hague Convention; or
- 2) Obtaining certifications of the documents from the Korean embassy or consular office in the country where student's school is located (Consulate certifications can be replaced by Foreign Education Validation); or
- 3) China Qualifications Verification of China Academic Degrees and Graduate Education Development Center when the student has attended or graduated from school(s) in People's Republic of China.

### 2. Reference for the Apostille Convention

- ▶ The Apostille Convention
- 1) Refers to the Convention Abolishing the Requirement of Legalization for Foreign Public Documents effectuated in the Republic of Korea on July 14, 2007
- 2) Facilitates the circulation of public documents between the states who are party to the Convention by abolishing the process of certifying documents twice by the foreign ministry of the country where the document was issued and by the foreign ministry of the country where the document will be used.
- 3) Legally validates documents issued in the signatory countries as to be certified by the foreign ministry of the country when the documents receive Apostille.
- 4) Supplementary documents to be attached when applying for a visa issuance certificate can either have existing consulate authentications or Apostille. (Border Control Division-8354, '07.8.13)
- ► For more and updated information on Apostille, please refer to Apostille Section at Hague Conference on Private International Law Website (www.hcch.net)

### 3. Process of obtaining Apostille

1) Public documents (from public schools)

<sup>\*</sup> The definition of private documents can differ from each countries according to its own Notary Act and Attorney-at-Law Act. In general, Apostille will be issued when documents notarized in the country are submitted.
